

Shower Curtains

Standard Dimensions: Single panel, 72" x 72". Custom sizes and styles are available. There are 12 grommets or $\frac{3}{4}$ " button holes across the top, spaced 6" apart on center to correspond with standard shower liners.

Grommets: Corrosion resistant Nickel-plated finish or Brass-plated finish (customer to specify)

Top Hem: 1" – 1 ½" Double Hem

Bottom Hem: 2" Double Hem

Side Hems: 1" Double Hem

Yardage: The standard shower curtain requires 3 $\frac{3}{4}$ yards of 54" fabric

Seams: 1 ½" widths of 54" fabric per panel

Liners, Rods and Rings: A wide selection is available. Contact the factory.

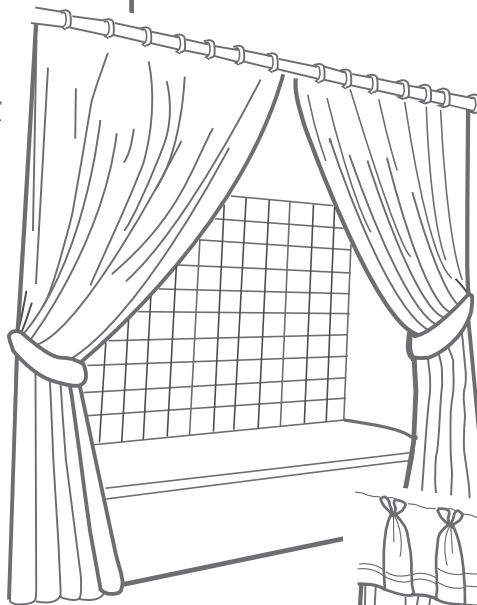

Options: Pleated tops, ruffles, and tiebacks
